

Directions:

Carlton Road is next to Tilburstow Hill Road, off the A22 and opposite SK Camping.

Follow Carlton Road straight ahead, over three speed bumps and to the fork in the road (a track goes off to the left and the road bends to the right) where you will arrive at Brooklands.

Please park on the road here alongside the short concrete bollards and yellow salt container.

Parking:

Even though the area at the front of the building may look empty of cars, please do not park there. Each space is allocated to a resident and does need to be left available to them. We do not want to be interrupted during our work to move cars.

Parking can be easily found on the road on the fork by the 'Brooklands' sign, short concrete bollards and yellow salt container. Please park here.

Number 7:

From outside the gates, make your way to the far right hand side of the building. Between the far right side of the building and the Coach House turn left and go through the black iron gate. I will meet you the other side of this gate.

Waiting if you arrive early:

There is no waiting room at Brooklands, so please come through at the time of your session and not before.

I allow a short period between all appointments but access is not possible any earlier.
